

Intuitive cordially invites you to the first annual

GYNECOLOGY
CONNECT
ROBOTICS FORUM

Join fellow gynecologic surgeons and global robotics thought leaders for expert insight into the fast-changing world of minimally invasive surgery.

April 24–25, 2019

Marriott Harbor Beach Resort & Spa
Ft. Lauderdale, FL

Event moderator

Arnold Advincula
MD, FACOG, FACS

Columbia University
Medical Center
New York, NY

Co-moderator

Devin Garza
MD, FACOG

Renaissance
Women's Group
Austin, TX

Mentors in robotic-assisted gynecologic surgery will show you how to take advantage of the da Vinci® system across your entire practice by applying the latest techniques and technology.

Participate in panel discussions, interactive presentations, audience feedback, Q&A sessions, and demonstrations.

At this peer-to-peer focused event, meet RAS experts, including:

Rick Farnam, MD
Kathy Huang, MD
Peter Lim, MD

Gaby Moawad, MD
Thomas Shultz, MD

Darin Swainston, MD
Jessica Vaught, MD

Contact your Intuitive Clinical Representative for details.

Additional forum support generously provided in collaboration with

INTUITIVE

Financial disclosure

The independent surgeons participating have received compensation from Intuitive Surgical for consulting and/or educational services.

Speakers subject to change.

*Presentations and opinions presented at this event are based on individual surgeon experiences, and may or may not be reproducible or generalizable.

Important safety information

For Important Safety Information, indications for use, risks, full cautions and warnings, please refer to www.davincisurgery.com/safety and www.intuitive.com/safety.

Time	Topic	Surgeon Speakers
12:00 - 2:00pm	Attendee Registration	
SESSION 1 Wed, April 24 2:00 – 6:00pm	Accelerating MIS Across Your Total OR Maximizing System Use, Efficiency, and Outcomes	
	Introduction of Conference and Faculty	Arnold Advincula and Devin Garza
	The Evolution of Robotic-assisted Surgery	Darin Swainston
	Becoming a Full Practice Robotic-assisted Surgeon	Gaby Moawad
	Where Is the Data?	Peter Lim
	A Successful Robotics Program: The Economics and Financial Implications	Jessica Vaught
(3:30 – 3:50pm)	Break	
	OR Efficiency and Expanding Access at my Hospital	Kathy Huang
	AAGL and Robotic Advocacy	Devin Garza
	We Live in an Ecosystem	Thomas Shultz
	Robotic Training: Accelerating the “Progress” Curve	Arnold Advincula
	The Benefits of Advanced Technology	Rick Farnam
5:30 – 5:50pm	Panel Q&A	Moderators: Arnold Advincula and Devin Garza
5:50 – 6:00pm	Keynote	Intuitive Leadership
6:00 – 9:00pm	Reception/Dinner	
6:00 – 7:00am	Breakfast	
SESSION 2 Thurs, April 25 7:00 – 9:00am	Going Deeper Into Your Robotic Practice Breakout Sessions	
7:00 – 9:00am	Breakout 1 Complex Benign Hysterectomy: Navigating the Labyrinth of the Pelvic Anatomy	Peter Lim
	A systematic approach to common complex gynecologic surgeries	
	Leveraging technology and tools to improve OR efficiency	
	Reproducible best practice approaches to maximize optimal patient outcome	
7:00 – 9:00am	Breakout 2 Myomectomy Made Simple	Gaby Moawad
	Simplifying surgery for large fibroids	
	Surgical tips and tricks	
	Techniques in tissue extraction	
7:00 – 9:00am	Breakout 3 Endometriosis Resection: See Better, Do Better	Kathy Huang
	The important steps to elucidating anatomy in the deep pelvis	
	Surgical dynamics applied to deeply infiltrative endometriosis	
	Why is robotics better?	
7:00 – 9:00am	Breakout 4 Sacrocolpopexy: The Pelvic Floor and So Much More	Rick Farnam
	The essentials of pelvic anatomy	
	The choice of mesh and suture materials	
	Tips and tricks for preventing and managing complications	
SESSION 3 Thurs, April 25 9:15am – 12:00pm	How to Integrate Robotics Across Your Gynecology Practice	
	An Efficient and Successful Robotics Program in the Outpatient Setting	Gaby Moawad
	Ace Your Tissue Extraction with C-Incision (ExCITE Technique)	Arnold Advincula
	ERAmIS: Rationale of an ERAS Program for MIGS	Jessica Vaught
(10:35 – 10:50am)	Break	
	Opioids: Multi-Modal Pain Management in Robotic-Assisted Surgery	Thomas Shultz
	Complications Management: The Do’s and Do Nots	Devin Garza
	Integrating Myomectomy into Your Practice	Kathy Huang
	Panel Q&A	Moderators: Arnold Advincula and Devin Garza
	Closing Remarks	Moderators and Intuitive Leadership
12:00-1:00pm	Lunch: Women in da Vinci Surgery
